

March 5 1945

Mr James Hill  
408 W. 1st St.  
Lakeland Fla.

Dear James:

I decided I had better write you so you could start making your plans if you are planning to play with us this year.

One thing is sure, you will have to arrange to go to camp. I think that is one of the things that has handicapped you. We are planning to train in Richmond, and stay at Virginia Union University. I am going to give each man \$20.00 a week while in camp plus paying his room and board. This will make it more interesting to leave whatever job they may have.

Please write me right away, and let me know how you are and what you are doing. Remember we leave for camp in about a month, which is not very long. The league season opens in Newark May6th.

I hope you are well, will be looking to hear from you right away. Everyone s nds regards.

Very Truly Yours
